

## STREAMLINED STATION FOR PERSONAL PROTECTIVE EQUIPMENT

In all its simplicity, the Clean Point Display is a stand that provides personal protective equipment to customer, guests and staff in an aesthetic manner.

The stand contains a sensor-operated dispenser for hand sanitiser at the top.

In addition, the stand is equipped with two dispensers for facemasks and disposable gloves, respectively.

The Clean Point Display is lacquered in RAL 7016, making it extremely easy to clean and suitable for most interiors.

With the Clean Point Display, you can finally say goodbye to the cluttered and often unsightly arrangement of boxes and bottles.

## **FEATURES**
